KAMANZI GAUTIER GOLBERT

Kigali, Rwanda | +250 783 363 830 | kamanzigolbert@gmail.com

SUMMARY

Bachelor of Software Engineering student at African Leadership University with academic training in full-stack development, cloud technologies, databases, APIs, and algorithms. Supported by professional certifications in software engineering, Python programming, cloud computing, cybersecurity, and identity and access management (Azure AD and AWS IAM).

In addition to technical training, demonstrated leadership and community engagement as a high school club president, organizing annual outreach initiatives to support less fortunate communities. Strong analytical thinking, attention to detail and communication skills.

EDUCATIONAL BACKGROUND

African Leadership University – Kigali, Rwanda September 2024 – Present

Bachelor of Software Engineering

Majoring in Full-Stack Software Engineering, developing skills in front-end and back-end development, databases, APIs, and cloud technologies, with a strong foundation in algorithms and data structures.

Nu-vision High School – Kigali, Rwanda September 2018 – August 2021

High School Diploma (Mathematics – Economics – Computer)

Professional Certificates

- Google IT Support Professional Certificate – Google (Coursera), Jun 2026
- Microsoft IT Support Specialist Professional Certificate – Microsoft (Coursera), Jun 2026

Software Engineering & Cloud

- Introduction to Software Engineering – IBM (Coursera), Nov 2025
- Introduction to Cloud Computing – IBM (Coursera), Nov 2025
- APIs – Meta (Coursera), Sep 2026
- Flutter and Dart: Developing iOS, Android, and Mobile Apps – IBM (Coursera), Jun 2026
- Python Fundamentals – Corporate Finance Institute (Coursera), Nov 2025

Cybersecurity & Identity and Access Management

- Secure Access with Azure Active Directory – Microsoft (Coursera), Nov 2025
- Azure: Identity and Access Management – Whizlabs (Coursera), Nov 2025
- AWS: Identity and Access Management – Whizlabs (Coursera), Nov 2025
- Identity and Access Management (IAM) – Packt (Coursera), Nov 2025
- Cyber Security: Identity Access Management and Authentication – Macquarie University (Coursera), Nov 2025
- IT Security: Defense against the Digital Dark Arts – Google (Coursera), Jun 2026
- Cybersecurity and Privacy – Microsoft (Coursera), Jun 2026
- Introduction to Secure Networking – Microsoft (Coursera), Jun 2026

IT Support & Systems

- Technical Support Fundamentals – Google (Coursera), Jun 2026
- The Bits and Bytes of Computer Networking – Google (Coursera), Jun 2026
- Operating Systems and You: Becoming a Power User – Google (Coursera), Jun 2026
- System Administration and IT Infrastructure Services – Google (Coursera), Jun 2026
- Introduction to Computers – Microsoft (Coursera), Jun 2026
- Essential Aspects of Software, Hardware, and Data Backup – Microsoft (Coursera), Jun 2026
- Technical Diagnostics and Troubleshooting Techniques – Microsoft (Coursera), Jun 2026
- The Microsoft 365 Ecosystem – Microsoft (Coursera), Jun 2026

Career Development

- Accelerate Your Job Search with AI – Google (Coursera), Jun 2026

LANGUAGES

- Kinyarwanda – Native
- English – Professional
- French – Conversational

TECHNICAL SKILLS

- Programming & Development: Python (FastAPI), JavaScript, React
- Databases: MySQL, Oracle
- Cloud & Security: Azure, AWS, Identity & Access Management (IAM)
- Core Concepts: Algorithms, Data Structures, Problem Solving

SOFT SKILLS

- Active listening
- Problem-solving ability
- Empathy and customer-focused mindset
- Ability to work under pressure
- Adaptability and flexibility
- Time management
- Teamwork and collaboration
- Conflict resolution
- Attention to detail
- Quick learning ability
- Ability to work independently
